Henry is a shy, awkward, and deeply lovable delivery boy who has been in love with Scarlet for years. Though nervous and easily flustered, Henry has a genuine kindness and sincerity that sets him apart from the wealthy and polished men Scarlet usually surrounds herself with. His quiet devotion and honest heart make him one of the story's most endearing characters.

Princess *and the* Frog

Henry Script:

Henry: *(walking in, holding a box.)* Oh! Miss Tianna, Miss Scarlet, what a surprise seein' you here. Not that it would be surprisin' seein' you in your own home. I'm just here to deliver some cheese for the party, you know, I don't only deliver milk, I deliver all kinds of dairy. Not that you need to know that, I just didn't want it to come across strange that I was here right now cause what kind of milk delivery man delivers at this time of the evenin'. Oh, Miss Scarlet, I have somethin' for you. *(he pulls a small bouquet of flowers out of his hat.)* I thought they might stay nicer if I kept them in my hat. I guess I was wrong. *(Scarlet groans dramatically into the chaise.)* Is she alright?

Lyrics:

Henry: I learned quickly, that perseverance stood between
a cat and her new best friend, me
Oh, I'm gonna do this right
Show you I'm not moving
Wherever you go, I won't be far to follow
Oh, I'm gonna love you so
You'll learn what I already know
I love you means you're never, ever, ever getting rid of me
When you say never
You can try, oh, but I
I love you means blah blah blah yip yap yap yap now get back to work!
I can try, but I
I love you means you're never, ever, ever getting rid of me
